DIRECTOR OF FINANCE  
*SEED GLOBAL HEALTH*

## **ABOUT** ***SEED GLOBAL HEALTH***

Seed Global Health (Seed) envisions a world in which every country is strengthened by a robust health workforce that can meet the health needs of its population. Seed partners to train nurses, midwives, and physicians, building health teams that can provide high-quality care and save lives. They do this by strengthening clinical care delivery, improving health workforce education, and supporting policies that enable health professionals to succeed.

Seed is dedicated to creating lasting change in the health systems of our partner countries: Malawi, Sierra Leone, Uganda, and Zambia. To ensure that these changes are durable, they form deep local partnerships that inform our work at both the individual and systems levels. Together, they are creating a multi-generational impact to not only treat today's problems but solve for tomorrow's.

A photograph of a busy street in an African town. In the foreground, a man wearing a cap and a light-colored shirt is pushing a bicycle heavily loaded with green bananas. The bicycle is stacked high with bunches of bananas, and a basket is hanging from the handlebars. In the background, there are other people walking, a motorcycle, and a white van. The street is lined with buildings, some with colorful walls, and a blue water tank is visible on a structure. The overall atmosphere is one of daily life and commerce in a developing area.
